RE: Draft Joint Powers Agreement for a New Mexico CAP Entity

Dear Commissioners and members of the public:

At its May 7, 2015, meeting, the New Mexico Interstate Stream Commission ("ISC") voted to set a May 14, 2015, deadline for all comments on the Joint Powers Agreement ("JPA") to designate the New Mexico CAP Entity. We encourage the public and each and every entity interested in becoming part of the NM CAP Entity to review the JPA and to provide detailed input and comments to the ISC.

Instructions for submitting your comments on the Preliminary Draft JPA for the NM CAP Entity to the ISC are provided on the AWSA website posting of the Preliminary Draft JPA. All comments must be received by the ISC by close of business on May 14, 2015.

Should you have questions regarding this process, please send an e-mail to [nm.awsa@state.nm.us](mailto:nm.awsa@state.nm.us).

Sincerely,

A handwritten signature in blue ink that reads "C. Roepke".

Craig Roepke  
Deputy Director  
Interstate Stream Commission
