

“The Impact of Climate Change on New Mexico’s Water Supply and Ability to Manage Water Resources” report has been moved to the Governor’s Drought Task Force website at:  
<http://www.nmdrought.state.nm.us/>. If you’ve gotten to this page via a bookmark, remove this bookmark, go to the Climate Change Information page on the Governor’s Drought Task Force site and bookmark the page again. If you’ve gotten to this page by some other path, please send the URL that sent you here to Brent Pearce at: [brent.pearce@state.nm.us](mailto:brent.pearce@state.nm.us).

We apologize for any inconvenience this might have caused.

Thank you,

--Brent Pearce, OSE/ISC Webmaster
