Media Advisory

(SANTA FE, New Mexico) – At the request of Governor Bill Richardson, New Mexico State Engineer John D’Antonio and Interstate Stream Commission Director Estevan Lopez will be meeting in Truth or Consequences Thursday afternoon to listen to concerns from area residents surrounding the effect that continued drought has had on Elephant Butte Reservoir, current water obligations, and the economic impact on the recreational community.

WHEN: **Thursday, April 17, 2003**

TIME: 1:00 p.m. - 2:00 p.m.

PLACE: Truth or Consequences City Chamber Office
400 W. 4th Street
Truth or Consequences, NM
