

Media Advisory

-- May 4, 2006 --

(SANTA FE, New Mexico) – The Office of the State Engineer will host the Annual Rio Gallinas Water Master Meeting to update the public on water conditions in the region on Thursday, May 11, 2006, in Santa Fe.

The purpose of the meeting is to report on last year's water administration and this year's activity. Office of the State Engineer staff will deliver a presentation on the 2005 Water Master Report, provide an update on the Active Water Resource Management initiative in the area and describe the 2006 action plan for managing the drought conditions in the region. The meeting will also include a question and answer session.

WHAT: Annual Rio Gallinas Water Master Meeting

WHEN: Thursday, May 11, 2006

TIME: 1:30 p.m.– 3:30 p.m.

PLACE : State Capitol Building
Room 311
Santa Fe, NM
