

Media Advisory

-- December 27, 2006 --

(SANTA FE, New Mexico) – A news conference to celebrate a “Century of Service” to New Mexico by the Office of the State Engineer will be held the first week of January.

Key milestones in effective water management for the State of New Mexico will be outlined by State Engineer John D’Antonio as well as future goals for the agency.

Lt. Governor Diane Denish and Interstate Stream Commissioners as well as former New Mexico State Engineers will be attending the event.

WHEN: Wednesday, January 3, 2007

TIME: 10:00 –11:00 a.m.

PLACE: University of New Mexico
Student Union Building
Upper Level – Lobo Room
Albuquerque, NM
