

Media Advisory

(LOGAN, NM) A public meeting to hear the community's thoughts on the June 2010 Draft ISC Ute Shoreline Management Plan will be held by the Interstate Stream Commission, on **Thursday, July 22** in Logan, New Mexico.

Interstate Stream Commission staff will be present to discuss and take public comments about the draft plan which aims to set policy for issues affecting Ute Reservoir. The reservoir is owned by the Interstate Stream Commission who is responsible for monitoring and protecting it. This meeting is an extension of the public outreach process to help formulate a plan that assures quality of life is maintained around the reservoir, water quality is protected, and economic development is promoted.

A copy of the Draft ISC Ute Reservoir Shoreline Management Plan can be found on the state's website at http://www.ose.state.nm.us/isc_canadian_ute_shorline_plan.html .

WHEN: Thursday, July 22, 2010

TIME: 5:00 – 7:00 p.m.

PLACE: Village of Logan Civic Center
901 Martinez St.
Logan, NM 88426
