								Well Drilling Methods	OSE Well Drilling Rules	Other
Approved	American Red Cross	First Aid/ CPR combined		800-560-2302	NM- multiple	multiple	2 - one time only			x
Approved	TVI (Central NM Comm. College) and other community colleges	Emergency Medical Technician			NM- multiple	multiple	2 - one time only			x
Approved	Technical Learning College	Groundwater Production	Melissa Durbin	928-468-0665	correspondence course	multiple	2	x		
Approved	Technical Learning College	Groundwater Protection	Melissa Durbin	928-468-0665	correspondence course	multiple	2			x
Approved	Technical Learning College	Hydraulic Principles	Melissa Durbin	928-468-0665	correspondence course	multiple	2			x
Approved	Technical Learning College	Distribution Basics	Melissa Durbin	928-468-0665	correspondence course	multiple	2			x
Approved	International School of Well Drilling	Well Abandonment	John Mastropietro	863-701-8268	online course	multiple	1	x		
Approved	International School of Well Drilling	Well Development	John Mastropietro	863-701-8268	online course	multiple	1	x		
Approved	International School of Well Drilling	Basic Groundwater and Geology	John Mastropietro	863-701-8268	online course	multiple	1			x
Approved	International School of Well Drilling	Geothermal Heating and Cooling System	John Mastropietro	863-701-8268	online course	multiple	1	x		
Approved	International School of Well Drilling	Drilling Methods	John Mastropietro	863-701-8268	online course	multiple	2	x		
Approved	International School of Well Drilling	Injection Wells	John Mastropietro	863-701-8268	online course	multiple	1			x
Approved	International School of Well Drilling	Well Rehabilitation	John Mastropietro	863-701-8268	online course	multiple	1	x		
Approved	David Green; Apollo Hazmat Safety Training	40 Hour Hazwoper, 8 Hour Refresher, or 8 Hour Site Supervisor Training	David Green	210-696-4970	multiple: www.apollohazmatsafetytraining.com	multiple	2			x
Approved	OSE Staff; New Mexico Groundwater Association	Well Driller Licensing; Well Construction, Repair, and Plugging Rules	Robin Irwin, NMGWA	505-867-9500	Sandia Resort and Casino; Rainbow Rd. Albuquerque	30 Jan 24, 2009	2		x	
Approved	David Pals, 2M Company; New Mexico Groundwater Association	Maximizing Employee Performance	Robin Irwin, NMGWA	505-867-9500	Sandia Resort and Casino; Rainbow Rd. Albuquerque	30 Jan 24, 2009	1			x
Approved	Stan Hill, 2M Company; New Mexico Groundwater Association	Business Practices for Financial Growth/ Success	Robin Irwin, NMGWA	505-867-9500	Sandia Resort and Casino; Rainbow Rd. Albuquerque	30 Jan 24, 2009	1			x
Approved	Pete Balleau; New Mexico Groundwater Association	Testing the Aquifers of New Mexico	Robin Irwin, NMGWA	505-867-9500	Sandia Resort and Casino; Rainbow Rd. Albuquerque	30 Jan 24, 2009	1	x		
Approved	W. Richard Laton, California State Univ.; New Mexico Groundwater Association	Boring Logs - What's Important/ What's Not	Robin Irwin, NMGWA	505-867-9500	Sandia Resort and Casino; Rainbow Rd. Albuquerque	30 Jan 24, 2009	1	x		
Approved	Don Dettelsen; New Mexico Groundwater Association	Basic Wire Rope Inspection	Robin Irwin, NMGWA	505-867-9500	Sandia Resort and Casino; Rainbow Rd. Albuquerque	30 Jan 24, 2009	1	x

								Well Drilling Methods	OSE Well Drilling Rules	Other
Approved	Rob Helton; New Mexico Groundwater Association	Proper Well Abandonment	Robin Irwin, NMGWA	505-867-9500	Sandia Resort and Casino; Rainbow Rd. Albuquerque	30 Jan 24, 2009	1	x		
Approved	Brad Castleberry, Lloyd Gosselink; Texas Groundwater Association	Ethical Dilemmas for Engineers, Geoscientists, and Contractors	Leroy Goodson, TGWA	512-472-7437	Galveston, TX	Jan 28, 2009	1			x
Approved	William Barham, Layne Christensen Company; Texas Groundwater Association	Safety at the Drilling Site	Leroy Goodson, TGWA	512-472-7437	Galveston, TX Midland, TX	Jan 28, 2009 Mar 14, 2009	1			x
Approved	Jerry Weir, Gould Pump/ ITT Industries; Texas Groundwater Association	VFD- Variable Frequency Speed Drives in Constant Pressure Application	Leroy Goodson, TGWA	512-472-7437	Galveston, TX Midland, TX	Jan 29, 2009 Mar 14, 2009	1			x
Approved	Randy Pfeifer; Franklin Electric; Texas Groundwater Association	Submersible Pump / Motor Basics	Leroy Goodson, TGWA	512-472-7437	Midland, TX	Mar 14, 2009	1			x
Approved	Gary Hix, In2Wells; Mountain States Ground Water Association	Diagnose Well & Pump Problems	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 12, 2009	1			x
Approved	J. Arden Godshall, Foremost Industries; Mountain States Ground Water Association	Dual Rotary Drilling	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 12, 2009	1	x		
Approved	David Pals, 2M Company; Mountain States Ground Water Association	Legendary Customer Service	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 12, 2009	1			x
Approved	Joseph Hogan, Hartford Insurance Group; Mountain States Ground Water Association	How to be an Effective Safety Trainer	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 12, 2009	1			x
Approved	Mike Mehmert, Johnson Screens; Mountain States Ground Water Association	Importance of Well Development	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 12, 2009	1	x		
Approved	Kim Jensen, Jentech Drilling Supply; Mountain States Ground Water Association	Drill Bit Selection and Application	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 12, 2009	1	x		
Approved	Joseph Hogan, Hartford Insurance Group; Mountain States Ground Water Association	What Does that Pesky MSDS Sheet Really Mean	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 14, 2009	1			x
Approved	Steve Strong, Laval Underground Surveys; Mountain States Ground Water Association	Making Video Surveys Utilizing Downhole Cameras	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 14, 2009	1			x
Approved	Randy Woodland, Franklin Electric; Mountain States Ground Water Association	Using Variable Frequency Drives	Debbie Hanson, MSGWA	480-609-3999	The Aquarius (Formerly Flamingo) Resort and Casino; Laughlin, NV	Feb 14, 2009	1			x
