

Saving Water

Draw a picture of how you can conserve water. Here are some ideas:

Dibuje un cuadro de cómo usted puede conservar el agua. Aquí están algunas ideas:

1. Fix leaky faucets and toilets.
2. Wash only full loads in the dishwasher and clothes washer.
3. Don't use the hose to clean the sidewalk.
4. Catch rain to water plants.

Can you think of any other ways to save water?

5. _____
6. _____
7. _____
8. _____

A large dashed rectangular box for drawing, intended for the student to illustrate their water-saving ideas.
