

APPENDIX

An attempt was made to group the objections into specific topics. The topic headings correspond generally to the arguments raised by each objector. The numbers listed on subsequent pages are the ECF docket number of the objections; given the number of objections, some may be inadvertently excluded from this list. **Such exclusion is not intended to waive the response to that objection.** Because objectors raised multiple arguments, the same document number may be included in multiple groups. The final group lists objections that were filed after the Court's deadline.

A: Taking or Injury to Property Value.

B: Incomplete agreement: Settlement Agreement, Regional Water System ("RWS") details, Water Master Rules not complete; make-up of the RWS Board not determined; Environmental Impact Statement not filed; easements for RWS not obtained.

C: Property believed to be exempt from settlement.

D: Water quality concerns.

E: Settlement Agreement violates domestic well statute or arbitrarily limits use of domestic well; violates Post-82 Well Settlement Agreement.

F: Certified mail not used; notice not received.

G: Funding concerns: Connection fund, impairment fund, and/or RWS not funded.

H: Non-Pueblo lack of enforceable rights against Pueblos; non-Pueblo subject to forfeiture of rights.

I: Office of the State Engineer has a potential conflict of interest; or no authority to award future water rights, or to declare basin closed.

J: McCarran amendment violated; sovereign immunity not waived by Pueblos or United States; or United States not bound as trustee.

K: Lacks consideration because well owners transfer water rights before RWS complete; protection from priority call insufficient consideration.

L: Pueblo water leasing ability illegal and/or terms vague and ambiguous.

M: Object to Pueblo uses of water, or quantity of water granted to Pueblos; no *inter se* of Pueblo rights.

N: Threatens acequia system or culture, or acequia rights.

O: Water quantity believed to be insufficient for needs.

P: Due process violated by negotiation of Settlement Agreement, or no opportunity to participate in negotiations.

Q: Personal financial situation and cost.

R: Treaty of Guadalupe Hidalgo.

S: Concern RWS will not extend to property.

T: New Mexico constitution violated.

U: Shared wells not addressed.

V: No specific objection made, general objection, or adoption of all objections.

W: Not enough time or information to review Settlement Agreement.

X: Equal protection violated.

Y: Objects to treatment of non-responders as settling parties.

Z: Objection filed after deadline

A: Taking or Injury to Property Value.
