**CONSOLIDATED SCHEDULING ORDER FOR
SUBFILES 34378,
PM-89224, PM-89217, RG-30627**

THIS MATTER is before the Special Master pursuant to Fed. R. Civ. P. 53, the Order of Reference [Doc. No. 6336], as amended [Doc. No. 7736], the Court's Procedural and Scheduling Order for the Adjudication of Water Rights Under Domestic Wells Permitted After January 13, 1983, filed July 14, 2007 [Doc. No. 6239], the Court's Procedural and Scheduling Order for the Adjudication of Water Rights for Domestic Wells, Including Pre-Basin Domestic Wells, Drilled or Permitted Prior to this Court's Order of January 13, 1983 (No. 641), filed August 2, 2012 [Doc. No.

7736], and after a telephonic Rule 16 conference held on September 18, 2015. The Federal Rules of Civil Procedure and the local rules of the Court will apply to these claims.

The termination date for discovery shall be **December 18, 2015** and discovery shall not be reopened, nor shall case management deadlines be modified, except by an order of the Court upon a showing of good cause. This deadline shall be construed to require that discovery be completed on or before the above date. Service of interrogatories or requests for production shall be considered timely only if the responses are due prior to the deadline. The pendency of dispositive motions shall not stay discovery.

Motions relating to discovery (including, but not limited to, motions to compel and motions for protective order) shall be filed with the Court and served on opposing parties by **December 24, 2015**. See D.N.M.LR-Civ. 7 for motion practice requirements and timing of responses and replies. This deadline shall not be construed to extend the twenty-day time limit in D.N.M.LR-Civ. 26.6. **No discovery motion shall be filed unless the parties first arrange a telephonic conference with the Special Master relating the matters to be raised in the motion.**

Unless previously disclosed, all parties shall identify to the parties hereto in writing any expert witness to be used at trial and shall provide expert reports pursuant to Fed. R. Civ. P. 26(a)(2)(B) no later than **November 30, 2015**.

Rebuttal reports from retained experts pursuant to Fed. R. Civ. P. 26(a)(2) shall be due from both Plaintiff and Defendants no later than **December 31, 2015**.

Supplementation pursuant to Fed. R. Civ. P. 26(e) shall be due no later than **10 days** after the new information has been acquired.

Written discovery in these subfile proceedings, other than initial disclosures, shall be limited

to 20 interrogatories per party, including subparts, 20 requests for production, and 20 requests for admission. For good cause shown and with the Court's approval, these limitations may be expanded.

Depositions in these subfile proceedings, either of parties, lay witnesses, or expert witnesses, may take place only with the consent of all parties to the subfile proceeding. If a party objects to the taking of a deposition, the matter shall be brought to the attention of the Special Master promptly. Plaintiff may take a maximum of 2 depositions. Defendants may take a maximum of 5 depositions. Each deposition shall be limited to no more than 4 hours on the record, unless extended by agreement of the parties.

Pretrial motions, other than discovery motions, shall be filed with the Court and served on opposing parties on or before **January 11, 2016**. See D.N.M.LR-Civ. 7 for motion practice requirements and timing of responses and replies. Any pretrial motions, other than discovery motions, filed after the above dates shall, in the discretion of the Court, be considered untimely.

If documents are attached as exhibits to motions, affidavits, or briefs, those parts of the exhibits that counsel or parties *pro se* want to bring to the attention of the Court must be highlighted in accordance with D.N.M.LR-Civ. 10.6.

Trial for these subfiles is set for **February 29 , 2016 at 9:00 a.m.** at the United States Courthouse, Santa Fe, New Mexico. Further scheduling for the preparation of a Pretrial Order, a Pretrial Conference, and a trial setting for each individual subfile will be determined by the Court.

THE PARTIES ARE NOTIFIED THAT WITHIN 20 DAYS OF SERVICE of a copy of this order, report, or recommendations, they may file written objections with the Clerk of the Court pursuant to Federal Rule of Civil Procedure 53(f)(2). **A party must file any objections with the Clerk of the Court within the twenty-day period if that party wants the District Judge to hear their objections. If no objections are filed within the twenty-day period, the District Judge may adopt the order, report or recommendations in whole.**

IT IS SO ORDERED.
