Re: Notice of Aamodt case Mandatory Status Conference, Doc.
10982, November 4, 2016, in re Jose B. & Lorraine
Montoya Irrev. Trust, RG-21281, RG-24386

Dear Mr. Levy:

I have received the foregoing notice of mandatory status conference. Please be advised that I do not represent the named Defendants, and have never done so. I have examined the State Engineer's WATERS data base under the quoted RG numbers. There seems to be no Jose B & Lorraine Montoya Irrevocable Trust. I did find a Jose B & Lorraine Montoya Revocable Trust in that database, but I do not and have never represented that trust. In addition I examined my own conflicts list as well as the entire on-line list of attorneys in Aamodt as reflected in PACER. I am confident that I do not and never have represented the named Defendants.

I have not sent copies of this letter to other counsel or parties, which would be a most daunting task.

Very truly yours,

Peter B. Shoenfeld
