No. 6639
Civil

ORDER

This matter coming on to be heard upon the motion of the plaintiff, State of New Mexico ex rel. S. E. Reynolds, State Engineer, for entry of default judgment against the following defendants in the above-styled and captioned cause, and the Court, having considered the record in this cause and being otherwise fully advised in the premises, finds:

1. The Court has jurisdiction of the parties and the subject matter herein.
2. The defendants have been legally served with process by personal service; have not filed an answer; certificates of non-appearance and default have been filed, and the defendants are adjudged to be in default.
3. The State Engineer's hydrographic survey and report relating to the defendants' water rights have been introduced into the record, and the same hereby are incorporated and made a part of this Order; that said hydrographic survey and report contain a true and correct summary of the contents of the instruments referred to therein, and that the water rights of the defendants in the above-styled and captioned cause are as follows:

43. J. O. KONOPAK (continued):

B. Purpose - Domestic and/or Stock (underground water):

State Engineer File No.: None
