**MOTION TO CORRECT SUBFILE ORDER TO ADD OMITTED POINT OF  
DIVERSION FOR GROUNDWATER DOMESTIC WELL WATER RIGHT**

Pursuant to Section A.2 of the July 23, 2013, *Procedural Order for Correcting Subfile Errors* (Doc. 7909), the State of New Mexico (“State”), by and through its counsel, requests the Court to enter the attached Order adding the legal description for the point of diversion (i.e., well location) to eleven (11) subfile orders adjudicating NMSA 1978, Section 72-12-1 domestic well water rights. The State offers the following grounds for this motion:

1. The following subfile orders adjudicating NMSA 1978, Section 72-12-1 domestic well water rights inadvertently omitted the well location:

<u>Subfile No.</u>	<u>Date of Order</u>	<u>Docket No.</u>
PM-65348	10/29/2001	5952
PM-65720	10/29/2001	5958

PM-72709	10/29/2001	5971
PM-72248	4/18/2001	5898
PM-72183	10/29/2001	5970
PM-72187	10/29/2001	5968
PM-70336	4/18/2001	5893
PM-63276	10/29/2001	5954
PM-70320	4/18/2001	5892
PM-72185	10/29/2001	5969
PM-72710	10/29/2001	5976

2. Each of the above-listed subfile orders should be corrected as set forth in the State's proposed order granting the motion, attached as *Exhibit 1*, to provide the well location for the adjudicated groundwater domestic well water right. Except as requested by this motion, all other elements of the rights adjudicated under these subfiles should remain as stated in the respective subfile orders and subsequent orders of this Court.

3. The State is serving a copy of this motion and a proposed order granting the motion on all parties or persons who, according to the records of the State, may have an ownership interest in the above-referenced subfiles. The State's proposed order is attached as *Exhibit 1*.

WHEREFORE, the State requests that the Court enter the attached order correcting each of the above-listed subfile orders to provide the point of diversion for the adjudicated groundwater domestic well water right.

Electronically Filed,

/s/ Brett Olsen
