INSTRUCTIONS

- This form shall be executed, preferably typewritten, in triplicate and shall be accompanied by a filing fee of \$5.00. Each of triplicate copies must be properly signed and attested.
 - A separate application for permit must be filed for each well used.
 - Secs. 1-4—Fill out all blanks fully and accurately.
 - Sec. 5—Irrigation use shall be stated in feet depth or acre feet of water per acre to be applied on the land. If for domestic, municipal, or other purposes, state total quantity in acre feet to be used annually. Domestic use may include the irrigation of not more than one acre of lawn and garden for noncommercial use.
 - Sec. 6—Describe only the lands to be irrigated. If on unsurveyed lands describe by legal subdivision "as projected" from the nearest government survey corners, or describe by metes and bounds and tie survey to some permanent, easily located natural object.
 - Sec. 7—Estimate time reasonably required to commence and to complete project.
 - Sec. 8—If lands are irrigated from any other source, explain in this section. Give any other data necessary to fully describe water right sought.
- If additional space is necessary, use a separate sheet or sheets and attach securely hereto.
