

Affidavit of Lydia Trujillo

I, Lydia Trujillo, hereby affirm that the following statements are true to the best of my knowledge and belief.

I was actually born in 1927 in the house next door to 94 N. Shining Sun Rd (previously Rt.1 Box 194) at 93 N. Shining Sun Rd (previously Rt 1 box 197A) and lived there until I was 26 (1953). I am now 88 years old and my family still owns the house next door to 94 N. Shining Sun Rd.

Several different families lived at 94 N. Shining Sun Rd. during the time I lived at 93 N. Shining Sun Rd. Their names were Don Antonio, the Kirkman family, the Jackson family, and the Buchanan family.

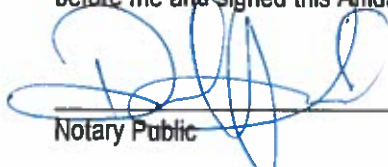

My earliest memories of the well are from when I was 5 years old. I remember the well being outside the kitchen behind the house. I frequently played with my childhood friend Wayne Kirkman and her sister at the house at the house at 94 N Shining Sun Rd. I remember seeing water running in the kitchen and drinking water at the house. I also remember water from the well being used for irrigation of the gardens, orchards and fields at 94 N. Shining Sun Rd.
