

Acequia de los Indios  
El Rancho, New Mexico  
April 8, 2016

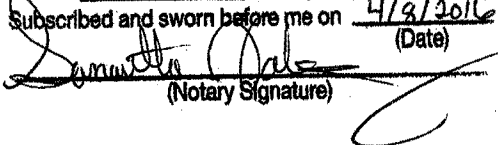

I certify that the well located on GPS coordinates N. 35<sup>o</sup> 53.539', W. 106<sup>o</sup> 05.030' in El Rancho, New Mexico off county road 85 at the end of Rancho del Alamo street was drilled in November of 1949. The well was in operation by 1951. The plot of Land the well is located was purchased from Salome Lujan for \$10.00 according to our records.

As a young man, I witnessed the operation of the well as it pumped its water unto the Acequia de los Indios.

I attest that the aforementioned information is true and correct.
