Re: Rio Pojoaque Adjudication Suit
U.S. District Court Cause No. CIV-6639 M
Subfile No. RG-5674

Dear Mr. Welsh:

The January 31, 1984 court Order adjudicating your water rights in domestic well No. RG-5674 states that the priority date for the well is 1966. The Application for this well was filed on March 20, 1961, and it states that the well was drilled in 1931. A copy of the Application is enclosed.

I enclose as Amended Offer of Judgment with the priority changed from 1966 to 1931. If it is acceptable, please sign and return it to me.

Very truly yours,
