No. 66cv6639 MV/WPL

Acequia de los Indios
Subfile No. 2.13
RG-86897

ORDER GRANTING
MOTION TO CORRECT WELL LOCATION (SUBFILE NO. 2.13)

THIS MATTER is before the Court on the State of New Mexico’s (“State”) *Motion to Correct Well Location (Subfile No. 2.13)* (Doc. 10780, August 2, 2016), filed pursuant to the Court’s July 23, 2013, *Procedural Order for Correcting Subfile Errors* (Doc. 7909). The State’s motion requests the Court to correct a clerical error in the legal description for the well location contained in the March 14, 1968, Order entered in Subfile No. 2.13 adjudicating a pre-basin domestic/livestock well water right. As set forth in the State’s motion, the subject domestic/livestock well has been designated as Well No. RG-86897 by the Office of the State Engineer. Having been fully advised in the premises, with no responses opposing the Motion having been filed, the Court finds the State’s Motion well taken, and that it should be

GRANTED.

IT IS ORDERED, THEREFORE, that paragraph 5.B of the March 14, 1968, Order entered in Subfile No 2.13 is corrected as follows:

State Engineer File No.: RG-86897

Priority: 1954

Point of Diversion: SW $\frac{1}{4}$ SE $\frac{1}{4}$ NW $\frac{1}{4}$, Section 9, Township 19 North, Range 8 East

Except as expressly corrected by this Order, all other elements of the rights adjudicated under the March 14, 1968, Order shall remain as stated therein and subsequent orders of the Court.

UNITED STATES DISTRICT JUDGE
