R. LEE AAMODT, et al.,

Subfile No.: RG-19098

Defendants.

AFFIDAVIT

STATE OF NEW MEXICO)

COUNTY OF SANTA FE)

Pauline Cable, being duly sworn, states as follows:

1. In December of 1946 my husband, our two children and I moved into the house shown adjoining tracts 68 and 69 on Upper Rio Grande Hydrographic Survey, Map Sheet 8.

2. I remember this clearly because my third child, Anne was born in May, 1947. The family celebrated the Christmas before her birth in the house which had just been finished at that time.

3. In December of 1946 a well located near said house in NE 1/4 NW 1/4 NW 1/4, Section 8, Township 19 North, Range 9 East had been built, was completely operative and was put to use.

4. Said well was used until 1971 when, being dissatisfied with the well's performance, I applied for and received permit RG-19098 for a new well to replace the well which had been built in 1946.

This new well was drilled and made operative immediately thereafter.

- 5. The 1946 well was at that time retired from use.
 - 6. Remnants of the old well are still visible on the property.
- FURTHER AFFIANT SAYETH NAUGHT.
