1. In answer to Complaint: For each subfile listed above, please **initial** in one of the two boxes to indicate whether you object to the description of water right(s) contained in the State's proposed Consent Order, or whether you make no claim as to the water right(s) described in the State's proposed Consent Order.

If you object to the description of water right(s) and reject the State's proposed Consent Order, or if you make no claim as to the water right(s) set forth in the State's proposed Consent Order for any of the Subfile Numbers listed above, for each such Subfile Number please explain in the appropriate spaces below.

I object to the description of the water right(s) described by Subfile Number(s) CHTA-001-0004
Mr. Ed Newville, I am sorry for returning this because
form late, due to the fact that I have been in and out
of the Veterans Administration hospital in Albuquerque, N.M.

The reason I object to the decision is because during the field inspection no ditch laterals or signs of irrigation ^{were found} due to the fact that the ditch laterals run close to the bottom of the north slope and all signs have more than likely been filled in due to years of constant erosion. The diversion system is located on the property located east of ours. I would like to be able to irrigate not only to grow grass for cattle but also to provide food for all wildlife

I claim no right for the water right(s) described by Subfile Number(s) _____ because

(Attach additional pages if necessary)

during the times of irrigation my family
lived on the property, once they passed or became
older they were not able to maintain the ditch
or irrigate lack of interest on prior generations
also ~~that~~ compounded the problem. I myself
have been trying my best to improve the land
as I can
