Dear Sir:

Now comes THE ACEQUIA DEL PINAVETAL, by Medardo Sanchez, the Chairman of the Commissioners of the said Acequia and makes the following representations.

1. That we have heretofore made a registration of our rights. In compliance with the regulations of your office, we had a survey made, together with a map and statement. The said map having been filed in your office under the above recorded number.
2. That we had paid for the survey and map, and that it now appears not to be accurate in some particulars.
3. That the lands are there, just as they were at the time the said map was made; and that they had been occupied and irrigated many years before that date.
4. That the Rito del Tanque, from which our ditch receives its supply of water, flows southwesterly and finally joins with the Rito Cienega Redondo; and from their confluence westerly the two streams are commonly known as the Rio Cebolla.
5. That there are approximately One Hundred Fifty Three acres of land which have been irrigated from the said Rito del Tanque
6. That the ownership of the lands under the said Acequia has changed; but that the waters are being used upon the same lands as they have been for a great many years.
7. That the names of the present owners of the lands, - and consequently of the water rights, - are as follows; Medardo Sanchez, Gabriel Valdez, Jose I. Maez, Manuel Sanchez, Samuel Sanchez, Jose I. Sanchez, Pablo Sena, Patricio Chacon, Luis Quintana and Ramon Martinez, - all of Cebolla, Rio Arriba County, New Mexico.
8. That we are now informed that our map is not in accordance with your regulations, - as we had supposed it to be.
9. Therefore, before any division or adjudication of the waters of the Rio Cebolla is made, we respectfully request that we be given an opportunity to employ a competent engineer in order to have a survey made together with a map for recording in your office; so that you may have the full facts before you.
10. That Medardo Sanchez was authorized to make these representations to your office; and we respectfully ask that they be given due considerations.

Yours very respectfully,

Medardo Sanchez
