**ORDER FOR STATUS REPORT**

**THIS MATTER** is before the Court on the Joint Status Report, Doc. 11327, filed February 9, 2018. The parties state that the settlement discussions have continued to make headway, that the resumption of litigation would hamper their efforts to resolve Ohkay Owingeh's water rights claims through negotiations, that they are committed to continuing the negotiation process, that they do not anticipate the need for the Court to schedule the filing of dispositive motions within the next four months and suggest that the Court require the filing of a joint status report in four months. The Joint Status Report **did not comply** with the Court's instruction to "include a brief discussion of when the Parties anticipate concluding the settlement discussions." Order for Status Report, Doc. 11305, filed November 30, 2017.

The Parties shall, by June 8, 2018, file a joint status report addressing the following: (1) settlement negotiations; (2) scheduling dispositive motions; (3) rescheduling the trial; and (4) any other matters the Parties wish to bring to the Court's attention. **The joint status report shall also include a brief discussion of when the Parties anticipate concluding the settlement discussions.** In the event the Parties are unable to agree on a joint status report, they may file individual status reports.
