RIO CHAMA STREAM SYSTEM

Section 3: Rio Cebolla

**[PROPOSED] ORDER MAKING FINAL DETERMINATION OF PRIORITY DATES  
IN THE RIO CEBOLLA SUBSECTION  
OF SECTION 3 OF THE RIO CHAMA STREAM SYSTEM**

THIS MATTER comes before the Court on the motion of Plaintiff State of New Mexico, *ex rel.* State Engineer, for an order making final determination of priority dates in the Rio Cebolla Subsection of Section 3 of the Rio Chama Stream System (“Cebolla Subsection”). *See* Doc. \_\_\_\_\_, filed 09/05/18.

The Court, having reviewed the Motion, pertinent portions of the record and the law, and being otherwise fully advised in the premises, finds the Motion to be well-taken and that it should be GRANTED. Further, the Court FINDS that:

Each of the individual subfile defendants in the Cebolla Subsection has been served with this Court’s Notice and Order to Show Cause (“Mailing Notice,” Doc. 11281, filed 09/11/17) in connection with the proposed determination of priority dates in the Cebolla Subsection. *See*

*Certificate of Service*, Doc. 11285, filed 09/21/17.

The Court's *Public Notice and Order to Show Cause* ("Public Notice," Doc. 11282, filed 09/11/17) has been published in the *Rio Grande Sun* once each week for 4 consecutive weeks, the first publication being on the 28<sup>th</sup> day of September 2017, and the last publication being on the 19<sup>th</sup> day of October, 2017. *See Proof of Publication of Public Notice and Order to Show Cause* (Doc. 11304, filed 11/30/17).

Accordingly, notice of the proposed determination of priority dates in the Cebolla Subsection has been provided to all claimants, known and unknown, who may claim or have a right to use the surface waters of the Cebolla Subsection.

The Court's Mailing Notice and Public Notice required all claimants who disagree with the State's proposed determinations of the priority date of their water rights to file an objection by December 11, 2017. Three objections to the State's proposed priority dates for the Cebolla Subsection were timely filed:

1. On December 4, 2017, an objection was filed by Defendant Petra J. Maes on behalf of herself and others (Doc. 11308). That objection was withdrawn on July 5, 2018. *See* Docs. 11361 and 11361-1.
2. On December 11, 2017, an objection was filed by attorney Ted J. Trujillo on behalf of Defendants Charlie Chacon and Geraldo M. Chacon ("the Chacons"). *See* Doc. 11310. This Court overruled that portion of the Chacons' objection relating to the priority date for their own water rights under the private Sanchez Ditch. *See* Doc. 11336, filed 03/27/18. The Chacons have elected not to object to the State's proposed priority dates for anyone else's water rights under the Sanchez Ditch.

3. On December 11, 2017, an objection was filed by Defendant Ronnie F. Garcia (Doc. 11311). That objection was withdrawn on July 30, 2018. *See* Docs. 11364 and 11364-1.

No other objections to the State’s proposed determination of priority dates in the Cebolla Subsection were filed with the Court.<sup>1</sup>

There is no just reason for delay of the entry of a final judgment as to priority dates for surface water irrigation use in the Cebolla Subsection, and the Court enters this Order as a final judgment as to the priority dates of the water rights described herein. This final judgment precludes all persons, known and unknown, who claim a right to use the surface waters of the Cebolla Subsection from making any and all objections to the priority dates described herein in future *inter se* proceedings.

IT IS THEREFORE ORDERED that the priority dates of the community and private ditches in the Rio Cebolla Subsection of Section 3 of the Rio Chama Stream System, and all individual irrigation water rights served by those ditches, are as set forth below:
