ISC mtg - 1/12/05 - public comments of settlement

Mayor Roseborough (Gallup) - support

Mark Edwards (Gallup) - support

Jim Rogers (SJ Ag Users) - wants split priority for HB,
FP/HB right too large (320 cfs)

Calvan Garcia (Navajo Chapter) - support

Jack Scott - protect Artec "trust" rights, not in best interests
of Navajo or non-Navajo due to no assurance of funding in future

Mike Sullivan (SJ Ag Users) & (HCD) - split priority for HB

Jay Burnham (Farmington) - status of City rights negotiations

Carroll Crawford (BID) - NIMP & NGL should be 1958 priority
due to combined permit, follow state law

Loenzo Bates (Dine water users) - support

Pete Hittity (UN Council delegate for Shiprock) - support

Richard Wade (DNA Legal Services representing some allottees) -

concern re: pitting their potential rights against Navajo
Nation water budget, future allottee populations, ROW's, etc

- Chavez (allottee) - ditto

Alt. water supply conditions - no need for Navajo to
commit WIP contract water to HB/FP if
they can get water from storage for free

Annual diversion amounts - left to Court to
decide if & how to determine; ~~if~~
same standard applicable to FP/HB as
non-Navajo ditches

Adjudication - inter se on PFD re: HB priority

DL - Adjudication process/continuation issues

BID concerns re: Navajo Dam EIS

BID & Ag users - want at table for their remaining issues

McHoon - Allottee issues

HBonly
