Tonight's चेरेन Questions or issues pit claim might realistically be:

1. no water left for the other tribes
   [So. Ute of no concern]
   [Jicarilla adjd]

   Leaves Ute Mt. Utes' claims, i told him these were not our worries but what if they pursue a pit claim? If granted (I assume there is some chance that a Court could grant some amt), where would the water come from? Is there SJ water that the Mt. Utes have access to?

2. Gallup is not required to pay an amt proportional to the benefits received—in fact, he believes Gallup might pay nothing which violates the Equal Police Status.
