Dear Steve:

After further investigation, I have located several additional documents responsive to your IPRA request that I did not list in my email to you of Tuesday, September 7th, as follows:

1. Executive Summary, June 25th draft of Settlement Agreement;
2. Two memos re: June 25th draft of Settlement Agreement;
3. Schedule of anticipated upper basin depletions.
4. June 25th draft of Settlement Agreement;
5. Appendix 1 to June 25th draft of Settlement Agreement;
6. Appendix 2 to June 25th draft of Settlement Agreement; and
7. Appendix 3 to June 25th draft of Settlement Agreement.

Again, please let me know if you wish to schedule a time and place to inspect and copy these documents. As noted in our previous correspondence, we charge a \$0.20 fee for duplication and \$3.00 for maps.

Sincerely,
