

HOW FULL WILL YOUR GLASS BE?

We could use your perspective.

The Interstate Stream Commission invites you to provide input for the State Water Plan Update on the following water resource management issues:

- ◆ population growth / water demand
- ◆ conservation
- ◆ climate variability
- ◆ water projects needed in your region

Region #7 - Taos

**State Water Plan Update Public Meeting
Thursday, June 4 6:30-8:30 pm**

**Rio Grande Hall at the Civic Center
Convention Hall
120 Civic Plaza Drive
Taos**
